Dassault Mirage F1 Underwing Tanks and Wing Pylons

Building Instructions and Colour Callouts

Colour Callouts:

Check reference sources for preferred colours.

The Mirage F1 pylons had many variations of colour with many of them remaining in Natural Metal but were at times painted in various camouflage colours and patterns.

For in depth research, information and photos, see the **ArtMan Delta Info Packs and Reference e-Books** for the **Dassault Mirage F1**

x2

x2

Remove supports from the topside of each pylon
